

We the People

- ★ *Challenge* all citizens to stand with us for a Public Rally **to Protect Valley Forge National Historical Park at 12 Noon**, on the steps of the Montgomery County Courthouse, Swede Street, Norristown, PA 19403, on **Thursday, May 15, 2008! Please plan to gather at 11:30 a.m.** Rally to be held rain or shine.
- ★ *Know* that although 78 acres of land on Pawlings Road was purchased privately by the American Revolution Center (ARC), options remain for preserving this hallowed land as open space. ***This tract does not have to be developed!***
- ★ *Believe* that Valley Forge National Historical Park, in Pennsylvania, should not be split by an oversize, commercialized development inside the boundaries of VFNHP. This is our National heritage that ARC wants to pave and destroy.
- ★ *Understand* that the ARC's preliminary plans and traffic study are currently under review by the Montgomery County Planning Commission, and will then go before **Lower Providence Township's Planning Commission for a vote on May 28, 2008**. This is not a local land use issue, as this is our National Park!
- ★ *Plead* that with a public outcry from citizens from across the country, this land where our Continental Army suffered, trained, and ultimately prevailed, will be preserved and not destroyed by bulldozers with the construction of a commercial venture, which includes a museum complex, conference center with 99 hotel rooms, restaurant, bar, gift shop, campground, and transit station.
- ★ *Encourage All to join us on May 15*, and contact your federal, state and local government officials to say you are committed to protecting, not dividing and harming, our nation's icon, Valley Forge National Historical Park!

Please go to:

www.SaveValleyForgePark.org

to RSVP, for links to contact elected officials, and for Rally directions/parking

Never doubt that a small group of thoughtful, committed citizens can change the world. Indeed, it is the only thing that ever has.
